

WORKSHOP SPACES.

MAKING ROOM FOR SPECIAL IDEAS.

The three workshop spaces in the listed heritage gatehouse offer everything required for meetings and workshops on a smaller scale.

They are equipped with the most up-to-date event technologies and named after vehicles from the BMW Group brands (Rolls-Royce Phantom, BMW 328 and BMW R 32).

Bookings can also be taken for the "MINI Cooper" creative space.

VIDEO TECHNOLOGY

65-inch flatscreens. The large meeting room also has a projector and screen.

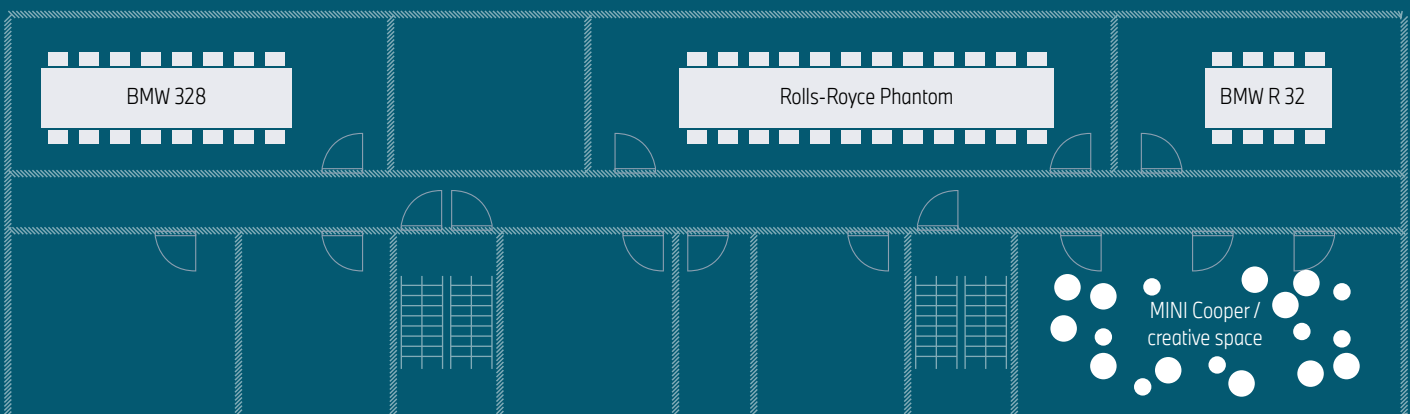

REMARKS

All conference rooms can be rented on a half-day or daily basis. The additional equipment includes BMW Office Wi-Fi, open Wi-Fi, a presentation case and flipcharts.

Additional technology is available for an extra charge.
